Dear Sirs,

Having heard over the radio that the Japanese Fishing Fleet which at the present time is under seizure by the Federal Government was to either be leased or sold to white fishermen on the Pacific Coast.

I, am a returned man and have been doing some fishing in a small boat but would like to procure a larger one for Cod Fishing say 30 or 34ft.

Will you be kind enough to furnish me with complete details the procedure necessary to become owner of one of these boats.

Thanking you,

I, remain

Yours very truly

L. Marquis,
