Dear Sir

I am interesting  
to fish for Salmon this coming season &  
reading of the stopping of Jap boats from  
operating I was wondering if I could  
get the use of one of the 35 foot boats in  
preference to purchasing. & what the rent  
would be. would you be so kind to give  
me all particulars. Oblige yours truly  
Boat with Diesel engine Chas. W. Smith.  
preferred.

Would it be against the Law for me to bring  
along 250.3000 Savage Rifle

(1) To make such arrangements as will make it possible for the present owners of the detained vessels to freely negotiate for charters, leases, or sales of such vessels as they own to persons other than those of Japanese origin, provided that the committee approve of such charters, leases, or sales, which approval shall be a prerequisite for the use of such vessel under fishing license.
