Dear Sir:-

I am very much interested in the fishing business. I understand your Department might give me some light on the fishing boats which were seized from the Japanese aliens. I am very familiar with the West coast as I lived there for ten years.

I would be very much pleased if you could give me information how they can be leased or bought and I would be much obliged.

Yours truly,

Sgd. A. Seefeldt,

(d) What terms are required for the purchase of the total purchase price.

With this information on hand, this office will endeavor to have Japanese owners of suitable vessels communicate directly with prospective purchaser.

All communications should be addressed to the Committee.
