23 Grovenor St.

Dear Sirs.

It has occurred to me since the rounding up of the Japs there might be some opening for fishermen off the coasts of B.C. What is the price of a modest boat, and how does a crew work with regard to pay, on share or wages, Can one work the year round. What can one do with \$12-\$1500?

Any information much appreciated.

With regards

C.M.Graham.
