Dear Sirs. Would you be kind enough to forward me the following information

I am a Canadian and have lived in Canada all my life. What licenses are required to operate a fishing boat in B.C. and what are the fees for same. (Salmon catch)

Could I employ an American citizen as helper on boat - he is residing in Canada for the past 12 years.

Could you forward the regulations for boat concerning rules and regulations?

Could you give me the names of the company who is looking after those fishing boats for sale in Vancouver. I am referring to the Japs Fishing boats.

What qualifications does one have to have for an wighing man. or they appointed by the B.C. government?

Thanking you for an reply
I remain
Yours
