Dear Sirs:

Received your statement of the sale of my farm  
in Pitt Meadows, B. C.

I was very sad to hear that it was sold for less  
than what I bought it for. It cost me lots of money for  
fixing both the house and the farm. I was sure I'd get  
more than this price for our farm is on a good location  
near school with electricity on main road.

When can we collect this money?

Please do not send my mails to Rocky Mountain House  
for my address is Taber, Alta. Your letters all go there  
and it goes astray.

Yours truly,
