File No. 4226

Oak Bluff, Manitoba.  
May 29, 1944.

The Custodian's Office,  
Vancouver, B. C.

Dear Sirs:

Received your letter May 23rd, 1944. In this first statement quoting "been advised that sale of land." Haven't been advised from your office so far.

According to your statement, why is the sale of property price at such unreasonable price. I do not agree to anything like this so please do not sell it.

Thank you,

Yours truly,

(Mrs.) "Umeo OKA"
