File No. 7351

Dear Sir:

In according to the sheets, I had received lately about our property to be sold. As far as that goes, I am not selling the land either one.

I would like to get the rest of the remaining payments of our rent and the taxes being paid. Should be some amount to be left over after paying all the taxes of our property. Please send it to us soon.

Not selling the property.

Yours truly,

" O. Mukai "
