Re: P/W 664 NABETA Matsuichi

Receipt is acknowledged of your letter, with statement of account, File No. 201 dated June 28th, 1944, regarding the m/n.

The Internee states:

"I wish to state that I have not been advised before in connection with the sale of my property, mentioned in this notice, and since the property has been sold without my consent and at such low price, I strongly oppose the deal made with my property. However under the circumstances I cannot do anything but I will reserve the right of my claim until the end of the present war".
