Mr. Masahiro SAKAMOTO,
Registration No. 14201,
Taber, Alberta.

Dear Sir:

We are in receipt of your letter of August 25th, 1944.

Your remarks have been carefully read and we can appreciate that the disposal of your property is a matter which will give you personal concern. However, the sale of properties to the Director, The Veterans' Land Act, was carried out as part of a policy of liquidation outlined by the Canadian Government, and the prices obtained were on the basis of appraised valuations.

In view of the size of this transaction considerable time was necessary and complete details covering property sale adjustments are not available in your case, however, just as soon as possible you will be fully informed.

Your letter has been placed upon our files so that your comments in regard to this sale will remain on record, but we can only advise you that the sale has been completed and that we are not in a position to consider any alternative in regard to this matter.

Yours truly,

W. E. Anderson,
Farm Department.
