

On the face of this information it seems to us reasonable that this man should have the explanation he seeks if, as we infer from your letter to him, all these 12 lots were sold at the price of only \$572.00.

At the same time Mr. Shikaze instructs us to seek further information about a sale of other property of his on which there should be a payment coming to him. This property was the west 7.89 acres of Lot 7 of S.W. $\frac{1}{4}$ of N.E. $\frac{1}{4}$ of Section 20, in Township 17, Map 543, lettered "A" on Sketch 4463, District of New Westminster. This property, Mr. Shikaze tells us, sold for \$1050.00, \$300.00 paid down. He thinks there should be another payment coming to him by this time.

Yours truly,

Hogg & Menzies
