File No. 2304.

In line with your request that you receive a copy of all letters from Evacuees protesting to the sale of their properties, a copy of a letter from Kasekichi KOBAYASHI dated August 31st, 1944 is attached.

I would mention in passing that this letter has been received a little more than two months after the sum of nearly \$3300.00 was sent to the above Evacuee from his credit balance of \$3438.60, he being sent a cheque for the above amount on July 6th, 1944.
