Dear Sir:

You have informed me of the sale of my land for \$410.00 (Four hundred ten dollars). I am certain that this price is much too low for this land because it is not even one-half of the assessed value of my land which is only a percentage of the total value of any land. After the many years of toil I spent to acquire that land and to make it productive, I am very disappointed in your selling of my land at such a low price. Perhaps you are not aware of the fact that fertile land cannot be bought as cheaply as you have sold mine. I am in disagreement with you for the low selling price of my land.

Yours truly,

"M. Kosaka"
