Mr. AI ADACHI,  
Registration No. 12849,  
R. R. No. 5,  
St. Thomas, Ontario.

Dear Sir:

We are in receipt of your letter of September 28,  
1944.

Your remarks have been carefully read and we can appreciate that the disposal of your property is a matter which will give you personal concern. However, the sale of properties to the Director, The Veterans' Land Act, was carried out as part of a policy of liquidation outlined by the Canadian Government and the prices obtained were on the basis of appraised valuations.

Your letter has been placed upon our files so that your comments in regard to this sale will remain on record, but we can only advise you that the sale has been completed and that we are not in a position to consider any alternative in regard to this matter.

It is the usual practice at the time of disposing of chattels to remove personal property to our storage centres. We are requesting that our fieldmen send us a report on your personal belongings held in storage and we would appreciate you advising us of the articles you desire shipped to you.

Yours truly,

W. E. Anderson,  
Farm Department.
