Dear Sirs:-

Referring to your letter of Oct. 6th in  
respect to selling of my property:

Please be informed I am retaining the  
above mentioned so I strictly inform you not to sell it  
under any circumstances.

I wish to mention in 1942 prior to my evacuation  
I had a party willing to pay an exceptional price on it  
but solely to retain same I refused.

Yours truly,

"Yojiro Takimoto".
