File No. 9617,

Bridge River,
Shalalth, B.C.

May 28, 1945.

Dear Sir:-

According to your letter of April 3, 1945 my property has been sold by you for the sum of \$1,000.00. Although this sum is unsatisfactory to me at present I cannot do nothing to reject this so I hope to settle it after war.

As I have mentioned before, I am here on a self-supporting scheme and have to support my family. At present I am out of employment and need money so will you please send all my credit balance in your office as soon as possible.

Thank you,

Yours truly,

"Y. Teranishi"
