Dear Sir:

The war has ended and I do not wish to sell my property for a while. You have stated that the value of property is \$3,000.00. If you are going to sell my property I do not want it to be sold any less than \$5,000.00.

Will you please keep my property as it is for a while if you cannot sell it for that price.

Thank you,

Yours truly,

"S. Nakamura"
