Custodian of Japanese Property
509 Royal Bank Bldg.
Vancouver B. C.

Dear sir -,

I have heard that our property was sold. Of course this is strictly against our wishes. When we were leaving the property with the Custodian it was strictly to look after it while we were evacuated. Since then you have notified us that the property was sold without our consent.

After seeking legal advice I don't think you have the authority to do so. The property, I understand was sold for \$4500 forty-five hundred dollars. You have sent us the letter saying it was sold for four thousand. Kindly check your account and see where the mistake appeared.

Please reply at your earliest convenience

Yours truly
