Dear Sir:

Re: File Nos. 485 and 495.

I wish to register my protest against the proposed sale of above property.

It's quite understandable when you seize the property of a foreign national and sell same but as a Canadian-born I cannot see the reason for the apparent un-Democratic action you are taking in disposing of our property against our wishes.

Furthermore, I think you are selling at a give-away price. Regardless of what you may have the price listed at I'm willing to wager that you couldn't pick up any other property in that district at anywhere near the price.

Yours truly,

"H. Okamoto"
