Dear Sir:

We have received your letter of the 6th September, in reply to our letter to you reporting on the administration of your affairs.

While we appreciate that the liquidation of your assets was of personal concern to you, this action was carried out under instructions received from the Canadian Government at Ottawa, and properties sold on the basis of appraised valuations at that time. This office has no alternative in the matter, but your letter is being placed on record on your file.

Yours truly,

F.E. Anderson,
