MISSING RADIO

c/o McInnis Prod. Corp.,  
Waterways, Alta.  
Dec. 21/46

Dear Sirs:

I have already written to you concerning about our radio before which was either lost or stolen.

According to your letter of July 31st/46 you stated that you were in no position to recompence for the loss of this radio but when we wrote back to you on August 6th you wrote back to us that this letter was given consideration but since then we have now moved to Waterways, Alta. and haven't heard from you. So once again I want to ask you what measure is taken towards this matter. If possible I would like to have a 6-tube long and short wave radio in return or \$80.00 for the payment of the radio.

Anxiously awaiting your immediate reply.

I remain  
Yours truly  
H. SHITATANI.
