Dear Sir:

This will acknowledge receipt of your letter of December 16th. This has been carefully read and we can appreciate that the disposal of your property is a matter of great personal concern to you. However, the sale of all Japanese owned properties has been carried out as a part of the policy of liquidation outlined by the Canadian Government on the basis of independent appraised values.

Your letter has been placed on our files so that your comments in regard to the sale of your property will remain on record.

Yours truly,

George Peters,
Office of the Custodian.
