Dear Sir:

Thank you for your letter of December 30th which you have addressed to Midway, B. C. Beginning of last August, we moved here.

You have written that I have the total of \$348.35 left from the property.

Since evacuation, we have been on our own support and for three years, I have a stomach trouble I can't work. To get myself well, I have spent most of the money we had. Not only for this but many other things which we did it ourselves. This total of money (\$348.35) doesn't worth even half of what we had and lost but since we need money very badly, I will expect you to send me the money soon.

Thank you.

Yours truly,

"Chonosuke Matsubara"
