Dear Sir:

I received a letter and cheque addressed to me, the cheque "being the balance derived from the sale of chattels."

I am returning the cheque for fifteen dollars and twenty cents (\$15.20) because there must be an error, either in the owner of those chattels or in the value of the goods.

Yours truly,

Suzumi Tsuida,
Registration #05302.

File No. 5311.
