Dear Sir:--

File No. 7843 & 12819  
Re: Estate of Yusuke Kai, Deceased

Have received both of your letters and cheques of  
November 12, 1946, and Dec. 23, 1946.

In the list of shoe repairing equipment you listed,  
there were two more items not listed: Singer Shoe sewing machine  
which was left at my house 328-11th St., New West'r. and a  $\frac{1}{2}$  H.P.  
motor which was left at my neighbor's. I would like to know what  
became of these because I would need it if I go in business.

The shoe repairing machines are still in care of  
Rev. W. R. McWilliams.

During the war I was forced to evacuate from New  
Westminster where I was born and was classed as an enemy alien.  
Now that I am in Toronto I have no wish to go back to where I'm  
not wanted. I intend to make my home in Toronto but find many  
difficulties financial and otherwise. I hope to open a shoe  
repair shop of my own someday and am living for that day. To my  
thinking the Canadian Government should make some kind of  
restitution on properties that has been sold and by paying shipping  
charges as in my case for the machinery and help us get back on our  
own so that we may live as a true Canadian Citizens.

Yours truly,

"Isamu Kai"
