File No. 2282

March 25, 1947.

Office of the Custodian

Dear Sir:

Re your letter of March 19th inst. I am sorry to say that I can not submit the receipt received from the R.C.M.P. as to do so would relinquish my only proof of ownership of said radio.

Legally that is still my radio and car. I do not know what you intend doing with proceeds of same but I do not recognize the sales.

Yours truly,

"Y. ONO"
