Dear Sir:-

Received the sum of \$433.64 for the property which
I had owned.

I am not going to accept this cheque at all. So I
am sending it right back to you unendorsed.

I am not going to stand for this at all. My
property is worth much more than that. What do you think we are?
My property had cost me nearly 1900 after putting in drainage for
it. The land alone cost me \$1500 and here you have to go and sell
it for next to nothing. I might as well had given it to someone
for Christmas gift. I will never accept this amount for it.

As for the share on the 409 Alexander St. bldg. I still
have'nt heard from my uncle from Toronto so I can't give you an answer
to what we'd agree. But as far as I'm concerned I still won't stand
for it at that amount.

What in the devil are you trying to pull over on us.

And what made you that I would want to sell my land for
that amount.

If I was told that I was never to come back to B.C. I would
have sold it myself before I left for evacuation. But no I was told
I would be able to come back after the war was over. And here I am after
5 years in Wpg. and you have to go and sell it for that amount for it.
What kind of democracy is this country anyway.

Yours truly
