

Copy for Mr. Shears'  
Complaint File.

Fletcher, Ontario.

2nd April, 1947.

Dear Sirs:

I received the cheque that you sent me.

We never did approve the selling of the land  
nor the price received and never will. We do not consider  
what we received was fair. We never even asked the  
Commission to sell the land, buildings and implements.  
The Commission just went on its own in selling the land.

Yours truly,

"K. Aoki"
