Dear Sir:

Received your registered letter detailed with information about our account. In your review of our file, I find that all information are known through all your previous letters.

In exchange of letter has not brought me any results and by complaining further, I know it would do me no good.

Though not satisfied with various information on sales and prices, etc. But I'll have to settle our account because I cannot leave my debts unsettled so please send our account in cheque in my favour.

Yours truly,

"K. Sasaki"
