Vancouver, B. C.

Dear Sirs:

Have received your cheque for \$88.44, the
final remittance from your office.

As I have written you in every occasion that I
am not satisfied with the action you have taken. Especially
the auction off of my personal belongings without my consent,
netting me less than 10% of the actual value.

Hoping for the coming of time to make a claim
for my loss.

Yours sincerely,

"Y. Nitsui"

File No. 1749.
