Dear Sir:

I received your letter and cheque the other day in regard to the net proceeds from goods belonging to me. I am returning this cheque because all our goods are valued at around \$600.00. I turned a copy of the list of goods in your office before leaving Vancouver, so would be pleased if you would check up on the matter more carefully. Would you please reply back in regard to this matter? I hope that I have not caused too much trouble but I am anxious to know what has happened to those goods.

Yours truly,

(Mrs. Matsuno SHIMIZU)
