August 4th,

In connection with this notice of the sale of my property, I wish to state that I have not been advised of the sale before as mentioned in this notice.

Since the sale of my property was made without my consent, and at such low price, I strongly protest against the action taken by the Custodian, however under the circumstances I think that I have not been given an opportunity to reverse the deal. But I wish to reserve my right of claim in connection with this deal until the end of the present war.
