Dear Sir:

Re: file # 4943

I have just come back from my holidays and I find your letter of August 6th, enclosing statement and cheque for \$3,019.04.

As I glanced over the statement, I am very much disappointed with the amount of the auction sales. In the first place there was no permission and I definitely refused to sell any of my belongings, my property, too. Now that all is sold, I am still not satisfied with the price on any one. I would like to know clearly what articles had been sold and price of each.

My property is worth much more than what it has been sold, after all, I bought the land only for \$1500 and, over 20 years of hard labour in putting up all those buildings and improvements. There

- was
- (1) the house - 10 rooms and basement:- 24' x 34'
 - (2) chicken houses - 32 rooms 20' x 20'.
 - (3) garage 18' x 20'
 - (4) feed house 18' x 20'
 - (5) colony houses - 7 or 8
 - (6) forcing rhubarb room 20' x 100'
 - (7) dutch oven brooder cap'ty 2500 chicks
 - (8) orchard - 13 trees
 - (9) 2 acres of black currant
 - (10) $\frac{1}{2}$ acre of gooseberries
 - (11) $\frac{1}{4}$ acre of asparagus
 - (12) $\frac{1}{2}$ acre of rhubarb

I am returning the statement and the cheque as I am dissatisfied with the whole matter, hoping that I will obtain a much more reasonable value very soon.

Sincerely yours,

"M. OHORI"
