Dear Sirs:-

Have written to the lawyer about the selling
about my house.

✓ Have heard from the friends in Vancouver that
those prices of the houses are way over the price I mentioned
in my last letter so if you could please put the sale price
for \$1700.00. And please let me know the result.

Thanking you,
Yours truly,

(signed).E. NAKASHIMA

P.S. As for the statement for the rent have not received any
for the last few months so please send it at your earliest
convenience.

Thank you.
